Students and teachers from all schools with agricultural education programs are encouraged to attend and participate in the educational activities provided. FFA activities are integral to Agricultural Education instruction.

All chapters attending the competition must preregister with payment by **Friday, October 25th** with Sharon Kinsey, State FFA Specialist, New Jersey Department of Agriculture, Division of Rural Resources, P.O. Box 330, Trenton, New Jersey 08625-0330, using the registration form provided. **Late preregistration will not be accepted.** Final registration and final payment to the **Treasurer, State of New Jersey** will be completed before starting competition at the Round House, 9:30 am on November 14, 2002. If names cannot be preregistered, *please preregister with the school name*. A minimum of five teams is necessary to run any state Career Development Event.

Teachers are responsible for supervision of their students throughout the day and are expected to help conduct and proctor events. All students attending **must** participate in the Career Development Events provided. Provisions for observation will not be made.

### **B. Career Development Events Fees**

**A \$28.00 per team, or \$7.00 per person (maximum 4-team members) registration fee is assessed per contest for each school/chapter participating. A \$7 fee will be charged for all post-secondary members competing in the "Post-Secondary Division" along with \$4.50 annual membership dues (maximum of 4 post-secondary members may compete from each school in each event). Please pay this fee at the time of preregistration.** Make checks payable to the **Treasurer, State of New Jersey**. The registration fees are used to pay event expenses, pay for proctors, and to provide awards. **CASH WILL NOT BE ACCEPTED.**

If a contestant is found not to be a member, then his/her score will be dropped from the team score, thus causing contest teams to be re-ranked for recognition.

### **C. Parking**

Observe parking regulations. Ample space is available in the conference parking area near the Food Science Building. This is near all scheduled activities. Parking along side of the road in the vicinity of the barns or Round House constitutes a traffic hazard. **PLEASE DO NOT PARK AT THE ROUND HOUSE!!**

2. The school with the highest team score in the Land Judging Career Development Event will be authorized to compete at the National Land Judging Career Development Event in Oklahoma in May 2003.
3. A banner or plaque will be awarded to the first place team in each state level event at the annual State Convention.

5. A Career Development Event Sweepstakes Award will be presented to the New Jersey team that places the highest in National Competition. This includes all National FFA Events and Land Judging.
6. Only dues-paid members and chartered chapters may compete for awards and for further competition. Non-members and non-chartered chapters may participate, however, they are not eligible for trips, trophies, certificates or banners. Registration fees may be higher for non-members to cover costs.
7. Contestants must be currently enrolled in an approved agricultural education course.
8. Students who have been members of a first place official team in a state event and have participated at the highest level for that event may not judge again in that particular event.
